

RUAPEHU DISTRICT Fire Season Status

Restricted

A permit is needed to light a
fire in the open air!

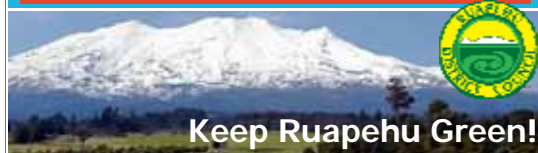

Anyone lighting an open air **fire** in the Ruapehu district must first obtain a **fire permit** from Ruapehu District Council (RDC). Open air fire restrictions apply to both rural and urban areas of the Ruapehu district.

Note: Applicants for **Fire Permits** must allow a minimum of **five (5) working days** before the permit is required.

Fire safety information and information on the assistance available from Rural Fire Safety Officers including site visits pre-burn can be obtained on-line from the RDC website: www.ruapehudc.govt.nz or by calling any council office.

Extreme caution is required with all open air fires

If in doubt - Do NOT light

Keep Ruapehu Green!
