

Bridge closures

Whakamaro Rd Bridge 237 (Whakamaro no.2)

Please be advised that **Whakamaro Road Bridge 237 (Whakamaro no.2)** will be **closed to all traffic from Wednesday 6th until Tuesday 12th April 2011**. The work will involve removing, installing new beams or piles and replacing the bridge decks. Because the deck has to be removed in each case, there will not be any access across the bridge during the period of closure. Land owners affected by the bridge closure will be notified by Council.

The contractor for the bridge work is Emmetts Construction . Any queries on the project please contact Richard Emmett on; ph. 06 349 1925.
