

# Rating Information Database Inspection and objection

The Rating Information Database (RID) records all the information about properties necessary for the setting and assessment of rates.

The Funding Impact Statement in the Exceptions Annual Plan (EAP) 2011-12 once adopted will be applied to the information in the RID to determine rates for 2011-2012.

Pursuant to s.28 of the Local Government (Rating) Act 2002 (the Act), the RID for the Ruapehu District is currently available for inspection. The RID may be inspected, during normal opening hours, at all Council Service Centres:

- Huia Street, Taumarunui;
- Ayr Street, Ohakune; and
- Seddon Street, Raetihi.

Extracts from the RID will be posted, faxed or emailed (pdf format) to ratepayers upon request.

Pursuant to s.29 of the Act, ratepayers may object to the completeness and correctness of the information in the RID. An objection form is available and ratepayers need to submit any objections to the RID with Council by Friday 17 June 2011.

Objections received by this date that result in a correction to the RID may affect the 2011-2012 rates set. Objections received after this date that result in a correction may not be applied to the following rating year (2012-2013).

**Any questions on the Rating Information Database should be directed to Georgina Jones at council on 07 895 8188 or 06 385 8364.**
