

Kirikau-Tawata-Paparoa-TeMaire Valleys Residents Meeting on Local Roads Friday 23 September - 2:00pm

The Ruapehu District Council (RDC) invites all residents from the Te Maire, Paparoa, Kirikau, Kokaoriki, Trussels, Tawata and Mangaohutu Road areas to a follow up **public meeting to discuss** any issues concerning their **local roading network** at the **Kirikau Hall** on **Friday 23 September** at **2.00pm**.

There will be a power point presentation outlining the road work carried out within the valley since the last meeting in September 2009, the expenditure of work to date, and an update on planned future works for the valley.

Residents are again invited to provide written information regarding local trouble spots where likely improvements could be made to make local roads safer by providing a description of the problem and the location with reference to either the route position of the road or by the culvert number(s) in the vicinity. The meeting will be attended by RDC Roading Staff, GHD Consultants and Inframax key Roading Staff.
