DECISION

1. Introduction

This is an application by **Nina Haitana** for a special licence in regard to an event to be held at the Rangataua Hall, 40 Nei Street, Rangataua. The nature of the event for which the licence is sought is a 'music performance as part of the Brutha Rodz Unite Tour'.

The date and hours sought are –

- **Saturday 13 April 2024** **7.00pm until 1.00am the following day**

2. Application

The application was received on the 13 March 2024 and included a site plan, event flyer and food list.

The application was not advertised and no objection or notice of desire to be heard has been received under section 141 of the Act. Accordingly we deal with the matter on the papers in accordance with section 202(1).

In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

(a) the object of this Act:

(b) the nature of the particular event for which the licence is sought and, in particular,—

(i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and

(ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:

(c) the suitability of the applicant:

(d) any relevant local alcohol policy:

(e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

(f) the days on which and the hours during which the applicant proposes to sell alcohol:

(g) the design and layout of the premises concerned:

(h) whether the applicant has appropriate systems, staff and training to comply with the law:

(i) any areas of the premises that the applicant proposes should be designated as restricted areas or supervised areas:

(j) any steps the applicant proposes to take to ensure that the requirements of this Act in relation to the sale and supply of alcohol to prohibited persons are observed:

(k) the applicant's proposals relating to—

- (i) the sale and supply of non-alcoholic drinks and food; and*
- (ii) the sale and supply of low-alcohol drinks; and*
- (iii) the provision of help with or information about alternative forms of transport from the premises:*

(l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received 20 March 2024.

Medical Officer of Health – No opposition within report received on 26 March 2024.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. The Inspector has no opposition to the issuing of the licence subject to the recommended conditions.

The inspectors report/file noted the following key matters –

- The applicant is an individual who makes the application and will oversee the sale and supply of alcohol at the event. The applicant has industry experience and has applied for and operated several special licences previously.
- The event is in a community hall and is part of a professionally organised North Island music tour. Access will be by ticket only and expected to be approximately 250 people, all of whom will be over 18.
- Suitability is not challenged.
- The premises is an Ohakune Community Hall owned by the Council. Council has given consent for the use of the hall for this purpose. The design and layout of the premises poses no problems to the reporting agencies given the temporary nature of the Special Licence.
- The applicant wrongly stated in the application that the Hall is exempt from needing a fire evacuation scheme. This has been clarified by FENZ with the applicant and hall committee person being notified of what needs actioning.
- The hours appear relevant for the event being undertaken.
- Two certified managers are nominated to oversee the event along with security guards and Maori wardens.
- Both the Police and MOH have no opposition to the application
