Automatic Payments or payments by other methods: The ratepayer will need to make any necessary adjustment to the regular amount each August, once they have received the first rates notice for the new rating year, to ensure payments are sufficient to clear the rates for the year.

Penalty: A penalty waiver will be applied at the time this agreement is set up with Council. If the minimum amount required to clear rates by 30 June is not received at regular intervals, as provided for in this agreement, penalties will be added to the outstanding balance due.
