

## Rating Information Database Inspection and Objection

The Rating Information Database (RID) records all the information about properties necessary for the setting and assessment of rates. The Funding Impact Statement in the Draft Long Term Plan (LTP) 2018 - 2028 once adopted, will be applied to the information in the RID to determine rates for the 2018/19 year.

Pursuant to s.28 of the Local Government Rating Act 2002 (the Act), the RID for the Ruapehu District is currently available for inspection. The RID may be inspected during normal business hours at all Council service centres:

- Taumarunui, 59-63 Huia Street
- Ohakune, 37 Ayr Street
- Raetihi, corner of Duncan and Seddon Streets

Information on individual properties in the RID will be posted, faxed, or emailed (pdf format) to ratepayers upon request.

Pursuant to s.29 of the Act, ratepayers may object to the completeness and correctness of the information in the RID. An objection form is available and ratepayers need to submit any objection to the RID with Council by Friday 15 June 2018.

Objections received by this date that result in a correction to the RID may affect the 2018/19 rates set. Objections received after this date that result in a correction may not be applied until the following rating year (2019/20).

If an owner wishes their name, postal address or both to be withheld from the RID, a written application pursuant to s.28C(2) (a) of the Act must be submitted to Council.

**Any queries on the Rating Information Database please  
call the Rates Team at Council on 07 895 8188 or 06 385 8364**
