

SITUATION VACANT

Compliance Officer

Do you have a desire to serve your community?

Are you looking for a challenge in your career?

Look no further! We are looking for a passionate, motivated person to join our hardworking team of Compliance Officers.

Ruapehu District Council (RDC) is committed to ensuring the safety and wellbeing of our community. We believe by working together, we can create a unified, prosperous future for us all and we want you to join us.

As part of the Compliance Team, you will be ensuring the safety and wellbeing of everyone in your community by ensuring that all compliance policies and regulations are met.

No two days are the same and you will be working in amongst a good-humoured team, so your sense of humour is a must. In this busy and varied role you will be responsible for the compliance of a wide variety of Acts as well as council by-laws, policies and the District Plan.

An affinity with animals, particularly dogs is needed for this role and some knowledge of bylaws and regulations would be useful. You will take pride in performing your duties with exceptional reliability, patience and discretion. Above all you will have a confident assertive nature as you treat everyone with respect, dignity and impartiality.

Compliance services are provided 24/7, 365 days a year, which requires officers to be part of a roster that covers after hours work but we also offer flexible working.

If you believe you have the above attributes and you are looking for a people focused role we would like to hear from you.

Information including a job description for this position is available on our website at www.ruapehudc.govt.nz

Applications close 21 December 2018
