

SITUATION VACANT

Visitor Consultant

Visitor Consultant - Taumarunui and Whakapapa iSite.

- Great local knowledge?
- Passionate about promoting our district?
- Part-time hours

We need someone with loads of energy and enthusiasm who thrives on ongoing learning and knows what it means to deliver outstanding customer service.

Experience in the tourism industry would be preferred and a passion for the industry is essential to be able to provide expert local knowledge to both local and international visitors. You would have to be willing and able to work rostered shifts, including some weekends; have an affinity for web based booking systems and databases; experience in cash handling and receipting and hold a current driver's licence.

To ensure you can provide the best information possible for our visitors, you get to experience first-hand the adventures offered by local operators, so be prepared to get out there and have some fun with our local tour operators.

If you already have NZQA Level 3 in Tourism that would be an advantage, however we would support you in studying towards this.

Further details, including a job description and application form see our website www.ruapehudc.govt.nz

Alternatively contact Megan Payne at megan.payne@ruapehudc.govt.nz

Applications close Sunday 31 March 2019
