

## ROAD CLOSURE: Ohura Road at Makara Stream Bridge

Council's bridge contractor, Emmetts Civil Construction Ltd have now adjusted their programme on Makara Stream Bridge to allow for a reduced closure period.

Construction will still begin on Monday 15 April 2019 with the retaining structure being completed beneath the bridge.

The bridge will now be **closed from 8am Monday 29 April 2019** and is **scheduled to be completed by 5pm Tuesday 21 May 2019**.

The contractor has provided extra resources to enable the shorter closing period.

Council advises that alternative routes be used accordingly.

Council apologises for any inconvenience this may cause.
