

**Ruapehu District Council
Boards and Committees
APRIL 2020 MEETINGS
POSTPONED**

Due to coronavirus/COVID19 restrictions all Council (including Community Board) public meetings have been postponed for the time being.

Please note that this does not mean that Council business has stopped.

We will emerge out of this period in due course and want to be well placed to support our communities to get back normal as quickly as possible.

Our planning and development processes will continue for our Annual and Long Term Plans and other major projects.

We will continue to be online and engaging in other ways so please keep your eyes on our Facebook page and website.

You can also continue to talk with your elected representatives about any issues that concern you.
