

## Owhango Residents LOCAL ROADS MEETINGS

The Ruapehu District Council (RDC) cordially invites all residents who reside in the Owhango area to a public meeting to discuss any issues concerning their local roading network.

The meetings will be attended by RDC's key roading network staff, road consultant's GHD Ltd and road contractors Downer and Jilesen Contractors Ltd. Council will provide a power point presentation outlining the roading works and expenditure within this region.

Local residents are invited to express their views on local road maintenance and safety, road sections requiring work, road contractor performance and any other roading issues that may benefit the community as a whole.

If you cannot attend for any reason, written information from residents regarding the local trouble spots where likely improvements could be made to make the roads better and safer is welcome. This can be sent to Ruapehu District Council at Private Bag 1001, 59 - 61 Huia Street, Taumarunui, or emailed to [info@ruapehudc.govt.nz](mailto:info@ruapehudc.govt.nz)

RDC ask those who are unwell to please stay home and provide written feedback instead.
