Craig Henderson made the application on the prescribed form received 15 July 2024.

The applicant is one of the directors of the company that owns Taumarunui Liquorland, a position he has held for the last seventeen years. Mr Henderson maintains his manager's certificate so he is available as a relief manager for staff shortages due to sickness and busy trading periods.

The applicant has held the certificate since 2008 and this is the sixth renewal of the certificate.

The applicant has the required qualifications and has not incurred any relevant convictions since last renewal.

2. Decision Making

In considering this application for a manager's certificate the licensing committee had regard to the following criteria under section 227 of the Act.

- (a) *the applicant's suitability to be a manager:*
- (b) *any convictions recorded against the applicant since the certificate was issued or last renewed:*
- (c) *the manner in which the manager has managed the sale and supply of alcohol pursuant to the licence with the aim of contributing to the reduction of alcohol-related harm:*
- (d) *any matters dealt with in any report made under [section 225](#).*
