3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received 8 February 2024.

Medical Officer of Health – No opposition.

Licensing Inspector Report – Full report dated 29 February 2024, including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. The Inspector has no opposition to the issuing of the licence subject to recommended compulsory conditions.

The inspectors report/file noted the following key matters –

- The applicant has obtained a licence for these type of events before and not come to the notice of enforcement agencies.
- The applicant is a licensed club who require a special licence to allow non club members attending the event to consume alcohol at the Club.
- Suitability is not challenged.
- The premise is the Club's premises that includes a large bar area, dance floor and stage area shown as the lounge bar in the plans. The area in front of the Club will be used for the competition and will be delineated by plastic orange safety fencing with one entry and exit to ensure alcohol remains with the specially licensed area. Previous licences have operated well before and should not reduce amenity and good order of the locality. The smoking area is to be designated 'restricted' with the main area undesignated.
- The hours appear relevant for the event being undertaken.
