On, Off, Club Licences - Overview of New Fee System

Default licensing fees for On, Off, and Club Licences

The default fees consist of:

An application fee, which licensees must pay when they apply for a new, renewed, or variation to a licence. (This includes a redefinition of licensed premises.)

An annual fee, which must be paid by licensees each year.

The amount that businesses pay depends on the "cost/risk rating" of each premises. Territorial authorities can change the default fees by making their own bylaws. However, they cannot change the way cost/risk ratings are calculated for each premises.

Determining a Premises Cost/Risk Rating

Premises cost/risk rating is determined by a combination of factors.

Table 1: Shows how premises cost/risk rating are determined. For example, a bottle store (scores 15) closing at 11:00 pm (scores 3) with two enforcements in the last 18 months (scores 20) would have an overall cost/risk rating of 38.

Note 1: Unless specified differently in this document, all fees and charges include Goods and Services Tax (GST).

Note 2: Where a set charge or fee is inadequate to recover the cost of the service or is not otherwise specified, a charge may be made to recover the actual and reasonable costs of the service.

Definitions Relating to Restaurants and Clubs (Risk Factor 1)

Restaurants	
Class 1 restaurants	Restaurants with a significant separate bar area which, in the opinion of the relevant TA, operate that bar at least one night a week in the nature of a tavern, such as serving alcohol without meals to tables situated in the bar area.
Class 2 restaurants	Restaurants that have a separate bar (which may include a small bar area) but which, in the opinion of the relevant TA, do not operate that area in the nature of tavern at any time.
Class 3 restaurants	Restaurants that only serve alcohol to the table and do not have a separate bar area.
Clubs	
Class 1 clubs	Clubs which, in the opinion of the TA, are large clubs (with 1,000 or more members of purchase age) and which, in the opinion of the relevant TA, operate in the nature of a tavern (for example a large working men's club, combined clubs, or large 'cossie' clubs).
Class 2 clubs	Clubs which do not fit class 1 or class 3 definitions (for example larger sports clubs, medium sized RSAs, many provincial social clubs).
Class 3 clubs	Clubs which, in the opinion of the TA, are small clubs (with fewer than 250 members of purchase age) and which operate a bar for 40 hours or less per week (for example small sports clubs like bowling clubs, golf clubs, bridge clubs, and small RSAs).
Enforcement	
Enforcement	Has the same meaning as a "Holding" under section 288 of the Act, or a previous offence for which a holding may have been issued if the offence had occurred before 18 December 2013.

Note 1: Unless specified differently in this document, all fees and charges include Goods and Services Tax (GST).

Note 2: Where a set charge or fee is inadequate to recover the cost of the service or is not otherwise specified, a charge may be made to recover the actual and reasonable costs of the service.

Fee Category

The licensing system has five fee categories, which reflect the range of cost/risk ratings.

Table 2 below shows the five fee categories and the corresponding cost/risk ratings.

Low risk outlets with low licensing administration costs (such as winery cellar door sales and small clubs) will pay lower fees. Higher risk outlets that typically create higher costs (such as bottle stores, nightclubs and taverns) will pay more, eg, the bottle store described above would have a fee category of 'very high cost/risk'.

Table 2: Fees Category

(Total of Risk Factor 1 + Risk Factor 2 + Risk Factor 3 = Fee Category)

Total Rating	Fee Category
0-2	Very low
3-5	Low
6-15	Medium
16-25	High
26 plus	Very high

Default Fee Amounts

A premises fee category determines the application and annual fees that the licensee has to pay. Licensees pay the amounts specified in Table 3 depending on their fee category.

Table 3: Fee Amounts

(Note that all fee amounts are inclusive of GST)
