

To do this you need Internet access:

- Go to [www.ruapehudc.govt.nz](http://www.ruapehudc.govt.nz) and find the link to “Libraries” under “Our Facilities”.
- Click the “Library Catalogue” symbol, then access “Research databases” from the Library catalogue page.
- To enter one of the links, you will be prompted for your user id, which is your library borrower barcode number.

*Access is also available from the Ruapehu District Libraries APN computers and WiFi (look under ‘Get Info’ – ‘Subscription Databases’ or ask staff for assistance).*

## Looking for Funding Grants?

You can access givUS and givME from the library APN computers and WiFi. These cannot be linked into from home. Funding is sourced from government and local authorities, statutory and philanthropic trusts, gaming trusts and service organisations.

For clubs, voluntary and community organisations – over 1200 grants to help with administration costs, building redevelopment, salaries, volunteer expenses and equipment.

Over 4000 scholarships and grants to assist with personal study needs, research or professional development.

**Feel free to ask staff for assistance.**

If you are doing research, study, homework or just want to know more, Ruapehu District Libraries are now able to access thousands of electronic resources through the EPIC database suite and other subscription-only sites.

They include:

### Encyclopedia Britannica

An award-winning resource with three age-appropriate sites to source information for children, teens and adults.

Wonderful for school projects.

### Ancestry Library Edition

A comprehensive genealogical tool to trace family lineage or access historical records.

Access is only available in the Library.

### Pressreader

Digital versions of thousands of the world's most popular newspapers and magazines, including a large assortment of New Zealand publications.

### Also ...

Access to NZ and international full-text journals, newspapers, magazines, photographs and graphics that provide current and reputable information on topics such as:

- Science
- Health
- History
- Geography
- Biographies
- Business, industry and management
- Literature
- Global issues

*With the exception of Ancestry Library Edition, all these databases may be accessed from home.*
