Extracts from Ruapehu District Council Public Health and Safety Bylaw 2012 Relating to Body Piercing - Chapter 17

17.1 Introduction

- 17.1.1 This part of the Bylaw is made pursuant to Council's powers under the following Acts and Regulations hereunder and any other Act or authority in any way enabling it to make Bylaws, and only applies to body piercing of humans, and body piercing also means any piercing of the skin:
- Local Government Act 2002
 - Health Act 1956

17.2 Exemptions

- 17.2.1 This Part of the Bylaw does not apply to body piercing carried out in the practice of medicine, dentistry, nursing, physiotherapy or podiatry by:
- (a) A medical practitioner, dentist, nurse, physiotherapist or podiatrist registered under the Health Practitioners Competence Assurance Act 2003.
 - (b) A medical practitioner registered under the Medical Practitioners Act 1968.
 - (c) A dentist registered under the New Zealand Dental Act 1988.
 - (d) A nurse registered under the Nurses Act 1977.
 - (e) A physiotherapist registered under the Physiotherapist Act 1949.
 - (f) A pharmacist registered under the Pharmacy Act 1970.
 - (g) An acupuncturist who is a member of the New Zealand Register of Acupuncturists Incorporated.
 - (h) A person acting under the direction or supervision of any such medical practitioner, dentist, nurse, physiotherapist or podiatrist.

17.3 Licensing

- 17.3.1 A person must only carry out body piercing on a premises licensed by Council for that purpose.
- 17.3.2 A person must apply for a body piercing licence if they are the owner or manager of premises used or intended to be used for body piercing. Council will process an application for a body piercing licence if it is made by a natural person or persons, is on the form prescribed and includes all information requested by Council and the required licence fee.
- 17.3.3 A body piercing licence will be granted by Council, if and only if Council is satisfied that the premises and the proposed body piercing service will comply with:
- (a) The requirements of all relevant Acts and Regulations.
 - (b) The relevant provisions of any District Plan.
 - (c) The Ministry of Health's current Guidelines for the Safe Piercing of Skin (1998).
 - (d) Relevant New Zealand and Australian Standards including AS 4031:1992, AS 2182:1994, AS 2773:1985, NZS 4303:1990, AS/NZS 3816:1998, and AS/NZS 4261:1994.

- 17.3.4 A body piercing licence will only granted if Council is satisfied that the person applying is familiar with this part of the Bylaw and with the Ministry of Health's current Guidelines for the Safe Piercing of Body. Council may require the person applying to complete a test to show that they are familiar with these documents.

17.4 Transfer of Licence

- 17.4.1 A body piercing licence may not be transferred to another person or to another premises.
- 17.4.2 The person holding the body piercing licence will be responsible for ensuring that the provisions of this part of the Bylaw are complied with and that all persons working on the premises of the body piercing operation are adequately trained and supervised to prevent any breach of the requirements of this part of the Bylaw.
- 17.4.3 A body piercing licence must be displayed in a part of the premises to which the licence relates. The licence must be displayed in an area where the public has access to so that any member of the public or can easily see it by Council visiting the premises.
- 17.4.4 Council will specify the date that the licence expires; this date will be recorded on the licence. The licence holder must apply for a renewal of expired licences, if body piercing is to continue. Applications for renewal of licences will be assessed as if it were a new application.
- 17.4.5 Council may grant a licence on such terms and conditions as are deemed necessary. The person applying must comply with any special terms and conditions specified in the licence in addition to the general requirements for body piercing set out below.

17.5 General Requirements

- 17.5.1 The person holding the licence must comply with the Ministry of Health's current Guidelines for the Safe Piercing of Body to the extent that they are relevant to the body piercing premises and service. The Guidelines cover the following matters:
- (a) Preparing the work area.
 - (b) Preparing tattooing inks and other equipment.
 - (c) Skin preparation.
 - (d) Use, operation and cleaning of piercing guns.
 - (e) Personal hygiene.
 - (f) Managing waste.
 - (g) Cleaning the premises.
 - (h) Accident management.
 - (i) Choice of instruments, needles and jewellery.
 - (j) Application of substances to the skin.
 - (k) Wound care.
 - (l) Sterilising instruments.
 - (m) Packaging and storing instruments.
 - (n) Cleaning instruments and articles that do not need to be sterilised.
 - (o) Planning of premises.
 - (p) Maintaining records.

Extracts from Ruapehu District Council Public Health and Safety Bylaw 2012 Relating to Body Piercing - Chapter 17 (continued)

- 17.5.2 It is the responsibility of the licence holder to ensure that no jewellery thinner than 14 gauge is used below the neck.
- 17.5.3 Body piercing must not be carried out on any person less than 16 years of age without the written permission of that person's parent or guardian.
- 17.5.4 A notice must be displayed in a prominent place within the public part of the premises asking customers to inform the licence holder if they have any communicable or infectious disease, which is likely to have an effect on body piercing.
- 17.5.5 If the licence holder or any other employee at the body piercing premises knows or suspects that they or any other staff member, whether paid or unpaid is suffering from or is carrying a skin infection or a communicable disease, or associated condition, body piercing must not be carried out, without first taking adequate precautions to prevent the transmission of that infection, disease or condition.
- 17.5.6 Before beginning body piercing on a customer, the customer must be advised of the risks associated with body piercing and the potential for infection to occur during and after the process. Written advice appropriate to the procedure to be undertaken must be given, in relation to precautions and post-piercing procedures, which should be followed by the customer.
- 17.5.7 Before any piercing of the skin is commenced, all potential customers must sign a consent form recording the following;
- Whether they have any reason to believe they have a communicable disease or skin disease.
 - Whether they have a history of haemophilia (bleeding).
 - Whether they are taking any medication, such as anticoagulants, which thin the blood or interfere with blood clotting.
 - Whether they have a history of allergies or adverse reactions to pigments, dyes or other skin sensitivities, or a history of epilepsy or seizures.
- 17.5.8 Any customer who knows or suspects that he or she has any of the above diseases or conditions is required to inform the person who appears to be in charge of the premises before the body piercing begins.
- 17.5.9 The licence holder may decline to carry out any body piercing on such a person, or may agree to carry out the body piercing subject to such conditions and safeguards that are considered appropriate by the licence holder in the circumstances. Nothing in this Part of the Bylaw requires the licence holder to perform body piercing on any person.
- 17.5.10 The licence holder must keep records of the names, phone numbers and addresses of any person who undergoes body piercing at the premises, the date on which the body piercing was carried out, the nature of the body piercing, and the location on the body where the body piercing was undertaken. Those records must be kept for at least three years and made available to an Environment Health Officer, Health Protection Officer or a Medical Officer of Health as defined in the Health Act 1956 who is carrying out any investigation pursuant to Part III of the Health Act 1956 or the Health (Infectious and Notifiable Diseases) Regulations 1966.
- 17.5.11 A copy of this part of the Bylaw and the Ministry of Health's current Guidelines for the Safe Piercing of skin must keep on the premises or the licence holder and be freely available for reading by any person employed on the premises and by any person attending the premises for the purpose of undergoing any body piercing,
- 17.5.12 Where Council is satisfied that compliance with any requirement of this part of the Bylaw would be impractical or unreasonable having regard to the premises and body piercing service in question, Council may grant a written exemption from the requirement. The exemption will be granted on such terms and conditions, as are considered desirable in the interest of public health.

17.6 Exemptions from Licensing Requirement

- 17.6.1 The requirement to obtain a licence for body piercing premises does not apply to:
- Carrying out acupuncture at a person's home where the person wishing to undergo acupuncture is unable to attend the licensed premises because of injury, infirmity or medical emergency, if the acupuncture is carried out in compliance with the general requirements in this part of the Bylaw; or
 - Carrying out any body piercing in any temporary structure or premises for a maximum period of five days in any 30 day period, if the person carrying out the body piercing complies with all conditions specified by Council.
- 17.6.3 The written approval of Council and the payment of any fee for any inspection required and payment for Council's time to consider the matter may be required before an exemption from the licensing requirement is granted.
