Section 4 - Description of Proposal

Description of activity in sufficient detail for the consent authority to be satisfied that the activity is a permitted boundary activity under section 87AAB of the Act.

Attach a plan (drawn to scale) of the site at which the activity is to occur, showing the height, shape, and location on the site of the proposed activity.

Section 5 - Affected Persons Written Notice

Has written approval been obtained from affected persons? (Written Notice form 8B required)

Yes No

List full names and addresses of each allotment owner with an infringed boundary to which the proposed activity relates as follows:

I attach written approval and a signed plan from each owner of an allotment with an infringed boundary.

Section 6 - Notes for the Applicant

You must include all information required by this form. If all information is not included, the consent authority will return this to you and the correct information must be supplied before a written notice permitting your activity can be provided.

In order to be eligible for a deemed permitted boundary activity, the activity must meet the definition of boundary activity under section 87AAB(1) of the Act.

You must provide written approval from all owners of allotments with infringed boundaries under section 87BA(1) of the Act 1991.

If all the information required under section 87BA(1) of the Act is provided to the consent authority, the consent authority must notify you of your permitted boundary activity within 10 working days after the date on which it receives the information.

You must pay the charge payable to the consent authority for the deemed permitted boundary activity under the Act.

If signing on behalf of a trust or company, please provide additional written evidence that you have signing authority.

Section 7 - Lodgement of Application and Fee

I/We hereby certify that, in the best of my/our knowledge and belief, the information given in this application is true and correct.
